### **We Can!**

Help you with reading and writing difficulties by introducing you to large print, taped newspapers and library facilities and, if necessary, teach Braille or Moon. There is a range of aids to help you overcome the difficulties or writing.

### **We Can!**

Provide you with information about educational and employment matters.

### **We Can!**

Ensure you are receiving all financial benefits to which you are entitled.

### **We Can!**

Help with ideas for leisure and recreation that might be of interest to you and show you new ways of keeping up with your favourite hobby.

### **We Can!**

Help with advice on our extensive range of aids and equipment specially designed to overcome limitations imposed by poor vision.

### **We Can!**

Arrange access to an extensive range of information in a form that would be suitable to you with impaired vision.

Our Rehabilitation Officers can arrange to visit you in your own home to explain further our services, undertake an assessment of your needs and ensure everything is done to help you overcome your problems caused by poor sight.

Why not come along to our Resource Centre at:

**38 Ardconnel Street  
Inverness**

where we will be only too delighted to meet you and show you around. Or you can phone us on:
